

PRE-QUALIFICATION APPLICATION PROCESS

There are various steps in the process of applying to become a family partner of Habitat for Humanity. REQUIREMENT # 2

I/We owe less than 40% of my monthly debt versus gross income.

Example: Your housing living cost for a Habitat home would be approximately \$400 for a 3-bedroom home. If you pay another \$500 per month on credit cards and a car payment your total debt would be \$900. If your gross income per month is \$2400, your total debt-to-income ratio is 37.5% (\$900 divided by \$2400). This is an acceptable debt to income ratio because it is below 40% of your total gross monthly income.
